

Have Your Training and Eat at It!

Here at **EVH** we like nothing more than helping you learn some new skills. So for this year's **CHAS** fundraising we are offering you the chance to bid for a pick and mix of training sessions or bespoke service and have the added extra of some home made cakes and biscuits to enjoy!

How does this work? Well, it's as easy as 1,2,3

Have a look at the menu below. Select one item from box one and one from box 2. Finally, from box 3 select four choices of cakes to accompany your training/service. Finally, decide how much you would like to pledge and send it all to us by **Monday 31 July 2017**. The winner will then be notified and a voucher for your winning combination will be issued.

Relaunched in June 2017 as, Children's Hospices Across Scotland (known as CHAS). Offer vital hospice care across Scotland to support the whole family. The hard truth is that right now, CHAS only reaches one in three children who die of a life-shortening condition in Scotland; They are determined to reach them all. But to do that, quite

The small print.

The voucher will have an expiry date **12 months** from the date of issue and all training/services must be used within this time. All monies raised will be donated to CHAS
