Interim Manager

Do you want to reach skilled professionals quickly?

Do you know that EVH can deliver fast and cost effective Interim Manager services? Our recruitment team have been established for over 20 years and are dedicated to providing specialist interim managers whenever and wherever you need them in the social housing and social enterprise sectors. We will endeavour to ensure that you receive timely and targeted expertise whatever your needs.

Your Requirements

At EVH we make every effort to understand your pressures and unique challenges and what's more, we are trustworthy, discrete and reliable service providers. Our aim is to assist you quickly, by delivering individuals who can identify, select and manage the right solutions to meet your organisation's requirements, from initial contact right through to successful conclusion of your needs and requirements.

Candidates

Our Interim Managers range from manager to director level and include specialists as well as generalists. Everyone who is registered by us, has undergone assessment, is reference checked, has had identification and qualification checks, along with their eligibility to work in the UK being established. Our candidates are immediately available either on a part time or full time basis for as short or as long a term of assistance as your organisation requires.

Our Interim Managers offer appropriate knowledge, skills and experience to assist your organisation through effective strategic leadership and management, conducting investigations, identifying any underlying issues, establishing strategies for resolution and adding value at the same time.

Typically, most Interim Manager candidates will come to you on a self employed basis, charging a daily fee and will invoice you on a monthly basis for payment. Please be assured that our self-employed candidates are required to provide indemnity insurance cover upon commencement with your organisation.

Some candidates, however, will prefer to be employed and paid directly by you.

EVH charges a fee of £50 per day +vat [members], or £72.50 per day +vat [non members] for each day that the interim manager works.

Please contact Susan Campbell, Recruitment Manager, with confidential enquiries at T: 0141 352 7433 or Email: Susan@evh.org.uk.
