

# Jim does Strictly

---

Kingsridge Cleddans is about to welcome its new director on the 4<sup>th</sup> March, Dan Wilson and they are saying cheerio to their interim Director, Jim Strang!

Jim's a trustee of the national homeless charity, Shelter, and is taking part in their Dance Competition, fundraising event on Saturday 23 March to raise much needed funding for the country's leading homelessness campaign group. The scourge of homelessness is on the rise, as the most recent figures have shown, not only here in Scotland but throughout the UK.

Jim would be absolutely delighted if you could help him raise as much as possible. You can donate to his just giving page or if you fancy a good night out why not buy a ticket or a table!

It is all in a good cause!
