

Hillhead's Good Neighbours Award

Hillhead Housing Association marked Scottish Housing Day 2025 by celebrating the theme “Everybody Needs Good Neighbours” through a heart warming tenant-led initiative. Tenants were invited to nominate their neighbours for a ‘Good Neighbour Award’ - those who go above and beyond to offer kindness, support, and a sense of community. The response was overwhelmingly with lots of thoughtful nominations highlighting the everyday acts of care that make Hillhead a great place to live.

To celebrate the nominees and announce the winners, a special coffee morning was held on the morning of Scottish Housing Day, Wednesday, 17th September. Tenants and staff came together to enjoy refreshments, share stories, and recognise the individuals who help create a welcoming and supportive neighbourhood.

The event was a great success and served as a reminder that strong, caring neighbourhoods are built on the everyday efforts of ordinary people looking out for one another. Hillhead Housing Association extended its thanks to everyone who submitted a nomination and congratulations to all the nominees and winners.
