

# Cassiltoun Housing Association's Annual Halloween Pumpkin Festival

Cassiltoun Housing Association welcomed more than 1,000 people for its much-loved annual Halloween Pumpkin Festival. This year, pumpkin carving and a pumpkin patch were on offer at Castlemilk Stables and carving at the local Love and Solidarity Community Hub.

The annual Spooky Walk was delivered this year with a new route in Castlemilk Park. This year, it featured a wide range of actors, dancers, drummers, and lots of spooky props, as well as pumpkins carved by the local community.

Cassiltoun Housing Association was supported by a huge range of partners and around 60 volunteers. These included Cassiltoun's Youth Advisory Panel, who dressed up in spooky costumes and acted at the event.

Some of the feedback included: *"Great walk, great community project and brings people together. Actors were great and dancers on the pitch were fabulous!"*

Cassiltoun Housing Association's October week Food and Fun session, delivered as part of the Castlemilk Together partnership, attracted 114 participants who got a free meal and took part in harvest-themed activities.
