

Rutherglen & Cambuslang's Give a Gift of Joy Appeal

Rutherglen and Cambuslang Housing Association have teamed up with Healthy N Happy Community Development Trust to launch a campaign encouraging local residents to donate presents for children in need. The Give a Gift of Joy appeal asks community members to purchase an extra gift while shopping and donate it to the campaign. Gifts should be suitable for children aged 0–16 years, with a value of £5–£10. Suggested items include toys, books, headphones, pyjamas, fluffy socks, woolly hats, scarves, gloves, Christmas chocolates, selection boxes, and gift cards. Sensory items for children with disabilities are also warmly welcomed.
