

(or to be more precise - having looked back over the last 12 years of CHAS fundraising and working out that this was our most popular event amongst members!) we are delighted to announce that The Iron Middens will be returning, for one day only, competing for your pledges with The Shammy Dodgers We'll spend a day ironing your clothes or washing your cars to raise money for CHAS.

IRON MIDDENS

These lovely ladies will come to your office and iron all day! Every member of staff can bring in some ironing and Maggie and her team (Lorraine, Susan, Lindsey and Geraldine) will ensure it leaves the office crease free! All that is required is space for a few ironing boards and a supply of tea and coffee to keep them focussed!

VS

SHAMMY DODGERS

Eamonn and his team (Agnieszka, Agnes, Diane and Rae) will come to your organisation and wash cars all day! As you will see, we have our own equipment and all we'll need is a car park and access to a stand pipe (or maybe even a tap near a window close to the car park). Sunshine would be good but we appreciate that you can't provide this.
