

Ayrshire Housing Association

Throughout 2026, Ayrshire Housing have been helping their tenants and communities in a number of ways. Here are some good news stories on the work they have done so far.

Supporting Tenant Wellbeing - Helping tenants secure over £1.3 million in additional welfare benefits and financial support.

Investment in Repairs Service - New partnerships have ensure tenants receive high-quality repairs services and well-maintained homes.

**Community
Engagement
Strategy 2025-2030**

Increased Opportunities for Tenant Involvement – The launch of the Community Engagement Strategy and new People & Culture and Community Engagement strategies.

Investing in Local Communities – Through the Community Connect Fund, Ayrshire Housing supported a range of local initiatives, including projects that promote health, wellbeing and social connection.
