

### **Housing First for Youth**

Almond HA's Housing Support Manager, Tracey Longworth, joined Audrey Heron from Rock Trust to discuss the Housing First for Youth project at Clúid Housing's Simon Brooke Lecture.

### **Winter Checks**

Almond HA delivered 239 Winter Checks between October and November this year. Almond Enterprises Ltd (AEL) carry out the checks on behalf of the Association. AEL is a wholly owned subsidiary of Almond Housing Association and carries out stair cleaning, gutter cleaning, house clearance and environmental works across Livingston. The AEL team are therefore familiar faces to Almond HA customers.

### **Community Lunches**

Almond HA hosted a free community lunch in partnership with The Larder. This was for tenants and local residents, where they were provided with a two-course meal and the opportunity to find out more about the support available, including fuel support and winter items.
