ACS Learning & Consultancy

www.acsrisk.com

Established in 1978 as one of the first commercial asbestos consultancies in the UK, ACS has built an impressive 'SHE' division and is now a leading consultancy in physical risk management, offering services in asbestos, safety, environmental, fire, and wellbeing services worldwide.

ACS Consultancy remains a trusted partner to all social landlords and housing associations in Scotland, with a particular focus on EVH members. We see ourselves as an extension of your team – providing tailored support to help you navigate health and safety regulations, compliance, and best practices with confidence. Our exclusive services for EVH members include annual reviews and updates of the Health and Safety Control Manual, audits for all members every two years, subscription to the Landlord Facilities Health, Safety and Welfare Control Manual, ad hoc query support, regular advice, guidance and articles, training sessions at a discounted price, and high-level consultancy services.

ADAPTOCARE LTD

www.adaptocare.co.uk

Adaptocare Ltd is a long-established UK manufacturing and supply business specialising in disabled-access bathroom products, including disabled toilet doors, shower trays, wet room components, and other accessibility solutions designed to support individuals with disabilities and reduced mobility. Originally established as a family-run business, we have been operating successfully for over 27 years and have built a strong reputation for quality products, reliability, and excellent customer service throughout the United Kingdom.

Over the years, we have worked closely with a variety of organisations, including Glasgow City Council, housing associations, contractors, care providers, local authorities, and private customers. Our products help create safe and accessible environments for individuals requiring specialist adaptations, and we remain committed to supporting independent living through innovative and high-quality solutions.
