Relaunch of the Caledonian Centre

Summer 2026 saw the successful relaunch of the Caledonian Centre, supported by funding of £12,432 from the National Lottery Community Fund. This funding has enabled the delivery of weekly activities every Tuesday from 28 July 2026 for an initial six-month period, piloting the Centre as a local wellbeing hub in partnership with Healthy n Happy.

The programme of activities was developed following extensive community consultation undertaken in late 2025 and early 2026. Feedback from residents helped shape the range of services and activities on offer, ensuring that the Centre responds directly to the needs and interests of the community.

The relaunch event, held on Saturday 25 July 2026, was a tremendous success, attracting approximately 400 attendees. The day was filled with energy, enthusiasm and community spirit, with local organisations coming together to provide a wide range of engaging activities for people of all ages. It was wonderful to see so many residents enjoying the event, connecting with others and experiencing everything the Centre has to offer. The event demonstrated the strength of partnership working within the local community and marked an exciting new chapter for the Caledonian Centre as a welcoming space for health, wellbeing and community participation.
