Employment Law Update

Speaker: Ben Doherty – Friday 30 October

We are in the middle of the most sweeping employment law changes in a generation. Ben will focus on some of the less regularly discussed implications of the changes to the unfair dismissal qualifying period including in respect of the management of fixed term contracts in the third sector and the changes to an employer's duty to prevent sexual harassment in the workplace.

About the Speaker: Ben Doherty

Ben is a solicitor, partner in Lindsays, a leading Scottish law firm who specialise in providing advice to the charity sector. Ben is the partner in charge of their 18-person employment law department.

Ben has specialised in employment law for over 25 years and is praised by his clients for providing pragmatic, commercial advice in a down-to-earth manner. Whilst he appears for clients in Employment Tribunal claims he particularly enjoys acting as a problem solver for clients and keeping them out of the Tribunal.
