

Castlemilk Gala Day

An afternoon of fun in the sun brought families out in huge numbers for a summer gala day in Castlemilk.

Organised by Netherholm Area Association and Thenue Communities, the gala day was funded by the “Glasgow 2026 Festival Fund” – a grant programme supporting community-led cultural, sporting, and arts projects across Glasgow for the 2026 Commonwealth Games.

Much of the work has been undertaken by volunteers associated with the hall – without whom it could not function throughout the year.

Ruth Adam, community regeneration manager at Thenue Housing, said: “The gala day was a fitting conclusion to an exciting summer of family-friendly activities as part of the Commonwealth Festival designed to involve communities everywhere. We are delighted to have been part of this celebration and the community wellbeing it has created. We also want to record our appreciation of Glasgow Life which created the Festival as a way of celebrating the Commonwealth Games.

Donna Henderson, Thenue’s chief executive who also attended the gala day, added: “It was great to see so many families enjoying the event”
