

Burn's Supper

Ayrshire Housing launched the local just over 2 years ago as a community space and it has gone from strength to strength. Each week a wide range of community groups use the space. It plays host to yoga classes, retirement opportunities, wine tasting groups, women's groups and Ayrshire's own weekly Wednesday Warmer Club.

The Wednesday Warmer Club was set up to offer a warm and welcoming space for our tenants and wider community. As well as the weekly club they hold monthly "special events" such as St Patricks Day celebrations, Valentines Day Afternoon Tea, Easter crafting, bingo and quizzes! In January of this year, Ayrshire hosted the 2nd annual Burns Supper. All the events are free, and the feedback has been really positive. There are more special events lined up for 2024.... hopefully this will include a wee fish supper day doon the coast
